

THE CAVES

NEGRIL • JAMAICA

A Wedding in Paradise

If you are envisioning an unforgettable oceanfront ceremony, then this is the place; The Caves offers a breathtaking backdrop to your special moment. Built on volcanic rock caressed by the turquoise Caribbean Sea, The Caves is a stunning location for your dream wedding. In addition to spacious open views over a sparkling ocean we also have very private caves, perfect for intimate occasions, sprinkled with rose petals and lit by numerous candles flickering in the ocean breeze. Other options include an upstairs-decked patio with the famed Negril lighthouse in view; a light and airy gazebo nestled in the foliage; a cliff edge suspended above the ocean. The stunning blue of the Caribbean Sea remains an enduring favorite, complimented by the intimate Sands private dining and bar area that comfortably seats up to 100 guests. We will prepare the meal of your choice and you can indulge in portions of your wedding cake whilst enjoying the sunset and listening to our eclectic blend of sweet global music. Personal attendants, florist and cake-designer, spa and salon services, as well as first-class photography and video services to preserve your memories, are all readily available. A variety of entertainment options can also be arranged. We will help to ensure that no detail is overlooked.

Your customized wedding will be planned in fine detail with the help of our experienced wedding coordinator. Your signature-wedding look is possible no matter how you dreamed it to be!

On the other hand...you can throw caution to the wind and let us do all the worrying by taking us up on one of our pre-designed Wedding Packages. Variations are possible, as well as quotes for smaller groups. Just ask!

Getting Married in Jamaica

You send us the paper; we'll do all the work!

Visitors to the island can be married just 48 hours after arriving in Jamaica, providing prior application has been made for a marriage license. Unlike many countries, Jamaica does not expect you to take a blood test before getting married. However, the following documentation is required:

- Proof of citizenship - certified copy of birth certificate
- Parent's written consent if under 18 years of age.
- Proof of divorce if applicable
- Certified copy of death certificate for widow or widower.
- Any document stating name change (Deed poll)
- Italian nationals celebrating their wedding in Jamaica must notify their embassy and a certified copy of their marriage certificate forwarded to their embassy to be legalized and translated.
- French Canadians need a notarized translated copy of all documents and a photocopy of the original French documents.

Officiating officers are available to perform religious as well as non-denominational ceremonies.
